## The Epiphany of the Lord

*Matthew 2:1-12*

When I was 22, I went on a pilgrimage to Rome for the Jubilee Year of 2000. I was traveling light with just a backpack, one blue shirt and black pants, little money, and no Italian. I had a few close friends and one goal: to reach the Eternal City. Despite the challenges and deprivations, I felt alive in a way I had never known before.

When do you feel most alive? I'd wager it's not when you're most comfortable or surrounded by stuff. Rather, it's when your life is aimed at something great; when you're on a meaningful and challenging journey with good friends.

That's the image the Magi give us in today's Gospel. They set out from the East not with certainty, but with hope. They study the signs, discipline their attention, and journey together, offering the best they have when they find the newborn King.

The Church gives us their story at the start of the year to reawaken something in us. We are not meant to drift. We're meant to journey as pilgrims. The Jubilee Year of 2025 may have ended, but our pilgrimage has not. Like the Magi, the closer we get to Christ, the more alive we become. — *Father John Muir* ©LPI

Our first blood for 2026 will be on Saturday, February 7 in the St. Vincent Pallotti Parish Center from 8:00AM until Noon. All donors receive breakfast! You can register on the St. Vincent Pallotti website or call Cathy Healey at (414) 412-7940.

### St. Therese Sharing Weekend is Next Weekend: January 11

The Sharing Weekend recipient for January is Eras Senior Network - Empowering Seniors and Engaging Generations.

We support older adults (60+) across Milwaukee and Waukesha counties through no-charge, volunteer-powered services that promote independence, dignity, and connections.

Eras serves older adults in all phases of aging - whether they need assistance, wish to volunteer, or need care for a loved one. Our services include: taking clients to their medical appointments, taking clients to the grocery store or picking up groceries for them, seasonal yard clean up and friendly phone calls.

Donations can be made at Mass, mailed to the Parish Office or by using the QR code to donate online. If you are writing a check, please make it out to Eras Senior Network. We ask that all donations are made by Sunday, January 18.

### Plastic Bags for Mercy Mats

Just a quick reminder that we still collect plastic shopping bags to create Mercy Mats for the homeless. The bags are folded, cut into strips and then looped together to create PLARN (plastic yarn) that is then crocheted to make the mats. Because they are plastic, moisture is kept away from the body. They are big enough for a grown man to sleep on.

You may drop them off at the entrance of all three churches where they will be picked up by a member of the Human Concerns committee. Thinner grocery bags work best. The thick Sendik's bags unfortunately don't work well for this project.

If you are interested, you can help with the preparation and crocheting of the bags by going to the West Allis Library (75th and National) on Wednesdays from 3:00-5:30PM. More information is available on Facebook – Mercy Mats West Allis.

### Sunday Masses Live-Streamed and Recorded!

- The 9:00AM Sunday Mass at St. Therese Parish is live-streamed on their Facebook page and posted on their website after Mass.
- The 10:30AM Sunday Mass at St. Vincent Pallotti is live-streamed and posted on their website and is also available on YouTube.

POPE LEO XIV

### From The Earth Ministry: Pope Leo Cements Church's Commitment to Earth Stewardship

In October 2025 at a conference attended by over 1000 religious leaders, scientists and activists, held to commemorate the 10th anniversary Pope Francis' *Laudato Si'*, Pope Leo firmly embraced the environmental agenda Francis laid out in his historic encyclical that put the church firmly on the side of protecting the planet.

Leo thanked God for “this gift we have inherited from Pope Francis! The challenges identified in *Laudato Si'* are in fact even more relevant today than they were ten years ago.”

More recently, in November 2025 at the United Nations climate talks in Brazil, Pope Leo urged the nations attending to take “concrete actions” to stop climate change, telling them “humans are failing in their response to global warming and that God's creation is ‘crying out’ in floods, droughts, storms and relentless heat.” He went on further to add “as stewards of God's creation, we are called to act swiftly, with faith and prophecy, to protect the gift He entrusted to us.”

Amen to that, most Holy Father!

## Devotions, Explained!

### Epiphany Blessing

The Epiphany household blessing is a centuries-old tradition that invokes God's blessing on all who enter one's home.

All you need for an Epiphany blessing is chalk, which is usually made available by parishes either on the feast of the Epiphany or in the weeks leading up to it. There are a few different formulas for blessings out there, but the essence of the ritual is always the same: a priest or the head of the household calls down God's blessing on the house and everyone who comes into it, and an inscription is made above the door in chalk.

The inscription reads: the first two digits of the year + C + M + B + the last two digits of the year. The initials C, M and B represent the names of the magi — Caspar, Melchior and Balthasar — and also signify the Latin phrase *Christus mansionem benedicat*: “May Christ bless the house.” ©LPI

## Blessed are Those Who Feed the Hungry

It is a sad fact that the richest country in the world has more and more people in need of food assistance. We, the people, must follow the teachings of Jesus and help feed the hungry.

St. Therese and St. Vincent Pallotti are collaborating on a program to collect food donations. Boxes are in the Bluemound entrance at St. Therese and in the vestibules at St. Vincent Pallotti for your food donations.

All donations benefit the food pantry at Holy Assumption Parish. This is a year round giving opportunity. Thank you for your consideration to contribute to this important ministry.

## ADULT FORMATION Opportunities

### St. John Neumann | January 5

St. John Neumann is the patron saint of educators, immigrants, and, due to the miracles that secured his canonization, sick children. This is a fitting patronage as he was a lover of education and learning from a very young age. In fact, when he was a child, his mother called him “my little bibliomaniac” due to his preoccupation with reading. Born in 1811 Bohemia, in what is now the Czech Republic, he attended the university in Prague preparing for ordination. However, his local bishops were not ordaining new priests at the time because Bohemia was overstocked with priests. He inquired about ordination all over Europe but received the same answer everywhere. Not one to be deterred, John then applied to several United States dioceses. Receiving no immediate responses, the saint took a leap of faith and decided to just immigrate to the United States in 1836, during his 25th year, with only \$40 in his pocket. This risk paid off when he was ordained in New York a month later.

Early in his priesthood he worked primarily as a missionary to German immigrants in Buffalo. His missionary work also created an opportunity for him to spend time in Maryland, Virginia, Michigan, and Ohio. When he was 29, he joined the Congregation of the Most Holy Redeemer (Redemptorists), a congregation of priests and brothers dedicated to helping the poor and most abandoned. He was their first member to profess vows in the United States.

In 1852, at the age of 41, Neumann became the fourth Bishop of Philadelphia. During this time, he organized the individual parochial schools in his region into a diocesan system. This change allowed Catholic schools to quickly increase the number of pupils enrolled by almost twentyfold. Over the course of his ministry, St. John expanded the number of Catholic schools in his diocese from 2 to 100! His passion for education extended to immigrants, like himself, and his love for learning languages made it possible for him to hear confessions in English, Spanish, French, Italian, Dutch, and Gaelic!

A man of the people, he could often be found outside the church walls visiting people who were sick, staying in taverns and public houses to teach, and celebrating Mass in people's homes at their kitchen tables. He was canonized on June 19, 1977, following three miracles, two of which regarded the healing of youth from grave illnesses. St. John Neumann was the first American man to be canonized a saint.
