5TH SUNDAY OF EASTER

“I am the way and the truth and the life. No one comes to the Father except through me. If you know me, then you will also know my Father.” - Jn 14:6-7

Excerpts from the Lectionary for Mass ©2001, 1998, 1970 CCD. ©LPi

Fifth Sunday of Easter

John 14:1-12

We generally approach life with the question, “What can this do for me?” We try a new workout, a low-carb diet, intermittent fasting, or a new career path, hoping it will make us healthier, stronger, happier. The assumption is that if I invest in this, I’ll eventually reap some benefit, or I won’t do it.

It is easy to think of faith the same way: if I really practice my faith, what will it do for me? Will it make me calmer, more moral, more successful?

But in today’s Gospel, Jesus says something astonishing. He doesn’t present himself as a teacher who shows us the way to life. He says, **“I am the Way, the Truth, and the Life.”** (John 14:6) He is not merely a guide toward some higher benefit. He is the benefit itself. To know Him is to know Life.

Thomas Aquinas explains that every desire in the human heart — love, joy, meaning, all of our restless cravings — is really an indirect cry for life. Even despair testifies to this longing: people despair precisely because they feel they are not, and might never be, fully alive.

The good news is that Jesus is not simply the means to a better life; He is Life itself. To believe in Him is to share in God’s own eternal vitality. Not simply later but even now. Faith is not a transaction that produces results — it is a union that fills us with joy. To be in communion with Christ is to be truly, fully alive. — *Father John Muir* ©LPi

See you at the Combined Annual Meeting This Sunday!

The annual meeting fulfills our legal requirements as corporations. At the Annual Meeting, we will vote to approve the Trustee Secretaries of both parishes, the Finance Councils will provide a financial update for both parishes, we will review the committee booklet, and Fr. PC will present his vision for the future.

We invite you to attend, ask questions, and provide your input. A light lunch will be served. We hope you will join us.

St. Therese Sharing Weekend is Next Weekend: May 10

The St. Therese Sharing Weekend recipient this month is the Milwaukee Chapter of the Christ Child Society.

The Milwaukee Chapter of the Christ Child Society is dedicated to “following the child” by clothing newborns and children displaced from their homes; providing parental support; tutorial, literacy and other educational support as well as vision screening. We are committed to finding a need and filling it, the very principles of our foundress Mary Virginia Merrick, Servant of God, on her way to Sainthood.

Donations can be made at Mass, mailed to the St. Therese Parish Office or by using the QR code to donate online. If you are writing a check, please make it out to Christ Child Society. Thank you for your generosity.

Altered Weekday Mass Schedule

Please note that we will not have weekday Masses on Tuesday, May 5 or Wednesday, May 6 at either parish due to the Spring Priest Assembly. Adoration on May 6 is also canceled. We will resume our normal weekday Mass schedule on Thursday, May 7.

Many thanks go to all parishioners who attended and contributed to our McTeacher night at McDonald's on Wednesday, April 22. We were able to raise close to \$500 for school programming and it was great to see school families and parish members build community together.

Thank you for all of your support for St. Vincent Pallotti Catholic School!

Committee Report: Parish Pastoral Council

Key items from the April Parish Pastoral Council meeting:

- Pastor shared his view of the future for Collaborating Parishes. PPC supports the Pastor's vision and this will be presented at the Combined Parish Annual Meeting on May 3.
- PPC reviewed the letter the Pastor sent to Parishioners before the May 3 meeting. PPC recommended several changes that were incorporated into the letter.
- It was agreed that the presentation should be positive and support the position that we will be stronger together.
- The Combined Annual Parish meeting agenda was reviewed and changes made as PPC approved it.
- There was an update on Parish Pastoral Council nominees for this next year. St Therese is still looking for another nominee to fill its members whose terms are ending.
- Committee Liaisons updated Council on the various Committees activities:
 - A vice chair is needed for Human Concerns Committee
 - Stewardship needs a chairperson and we need some additional members
 - Prayer and Worship and Christian Formation were thanked for the efforts that went into the Lenten Mission and the Holy Week Services

Next Council meeting will be May 6 at 7:00PM in the Upper Room at Pallotti House.

Pastoral Council Nominations Due May 15

The Parish Pastoral Council includes the Pastor, the Trustees, and members at large. Member-at-large terms are three years (July 1–June 30), and terms are staggered so new members are added each year.

This year, we are seeking two new members at large from St. Therese to begin on July 1.

You may nominate yourself or nominate another parishioner.

To nominate someone, please email Brett Surinak at cubmaster@pack105.org with the person's name. Brett or Fr. Tom will follow up with nominees to confirm interest.

Nomination deadline: May 15.

After nominations close, the Parish Pastoral Council will follow our normal discernment and selection process to confirm the new members. Please pray for guidance and consider who may be a good fit to serve.

Fourth Sunday Formation

Thank you to everyone who attended the Fourth Sunday Formation sessions last weekend. We hope you learned more about Marian Apparitions. We hope to see you at our next sessions on May 23/24. Bring a friend!

From The Earth Ministry: Why is Bamboo in the News?

Bamboo plants are a type of grass. They grow amazingly fast, from inches to feet per day. Bamboo is

native to China, Japan, central and southern Africa, India, Southeast Asia, and most of South America and Central America. There are even native species of bamboo in the American Southeast.

Bamboo is being studied as a sustainable alternative material because it grows very quickly and matures in one year. It has an extensive root system which is good for erosion control. When the above ground shoots are harvested, new shoots arise from the root without need for replanting. Bamboo requires less water than many alternatives (cotton, hardwood trees.) It is also good at absorbing atmospheric CO2, one of the greenhouse gases causing global warming. Bamboo is fairly resistant to pests and diseases and doesn't require pesticides or other toxins. Bamboo can be used for a variety of purposes: fabrics, flooring, and many household items often made of wood or plastic (e.g. toothbrush handles.) Bamboo is biodegradable, unlike plastics.

Bamboo is not the perfect solution to everything. A future article will discuss concerns.

Safe Environment Program: Did You Know?

All clergy, employees, and volunteers are required to meet all of the requirements of safe environment certification. Certification includes participating in training on recognizing signs of abuse and neglect, identifying grooming behaviors, training in maintaining boundaries, and mandatory reporting; reviewing the Code of Ethical Standards and the Social Media and Digital Communication Policy, and undergoing a criminal background check. Certification is required prior to beginning ministry and subsequently every five years.
