19th Sunday in Ordinary Time

Matthew 14:22-33

As a young, newly ordained priest, I admired a senior priest who was gifted, beloved, and had changed countless lives. But soon I learned that he had fallen in catastrophic and destructive ways. The painful juxtaposition of good and evil was complex to process. How could someone so seemingly good also be so broken and deceptive? It forced me to confront a sobering truth: leadership in the Church is no guarantee against weakness or sin.

Peter teaches that truth in this week's Gospel. When he sees Jesus walking on the sea, Peter does what leaders do. He goes first. **"Lord, if it is you, command me to come to you on the water."** But when he sees how strong the wind is, he becomes frightened and, beginning to sink, cries out, **"Lord, save me."** Immediately, Jesus stretches out His hand and catches him.

St. Thomas Aquinas observes that Peter overcomes the greater danger of the waves but falters before the lesser threat of the wind. This is the paradox leaders often face. It is not always the great trials that undo us, but the smaller, quieter temptations, such as subtle fears and compromises, that lead us to sink.

The good news is that Jesus does not abandon Peter. He saves him before it is too late. Our frail humanity lives within a rhythm of grace, risk, failure, and mercy. Jesus helps Peter overcome both the obvious and hidden sources of fear, and He promises to do the same for us. So, let us pray for all, especially our spiritual leaders. — *Father John Muir* ©LPi

Solemnity of the Assumption August 15

Join us to celebrate the Solemnity of the Assumption on Saturday, August 15. Normally, this is a Holy Day of obligation, but since it falls on a Saturday, the obligation has been lifted.

We still encourage you to join us for Mass to celebrate this Holy Day at **6:25AM at St. Vincent Pallotti - East Church**. All are welcome.

St Therese Reuniting Us As "One Nation, Under God..." Prayer Service

Please join us for our monthly Prayer Service after Mass on August 16 as we seek to again become "...One Nation, Under God..."

We say the rosary and ask Blessed Mary to intervene for us with the Lord in seeking His help to reunite us as "...One Nation, Under God..." We need the Lord's help to regain our love of God and our love of neighbor as we move forward in a divided country. We end with a short meditation to remind us that while we are all different, we need to Love and respect one another. The service is about 25 minutes. All are welcome to join us!

St. Therese Sharing Weekend is This Weekend:

August 9

The Sharing weekend recipient for August is Grand Avenue Club (GAC). GAC is a downtown Milwaukee nonprofit that supports adults experiencing mental illness in finding employment, pursuing educational goals, and fighting isolation through community. We are a voluntary, nonclinical organization where members work side-by-side with staff to focus on whatever personal goals are most important to them. Rather than providing therapy or medical treatment, we offer opportunities, encouragement, and meaningful work that help people build confidence, develop skills, and reconnect with their communities. Please note we do not discourage clinical treatment; we encourage those who need it to pursue it and will help refer people to the proper support needed. We just focus on a different aspect of life outside of medication or therapy.

At Grand Avenue Club, every day is centered around purpose and belonging. Members can gain job experience, receive support in returning to school, participate in wellness and social activities, share meals, build friendships, and contribute to the day-to-day operation of the Club. Whether someone is looking for their first job in years, hoping to earn a degree, or simply searching for a welcoming place where they feel valued, Grand Avenue Club provides a community where people can grow, recover, and thrive at their own pace.

Donations can be made at Mass, mailed to the Parish Office or by using the QR code to donate online. If you are writing a check, please make it out to Grand Avenue Club. We ask that all donations are given by Sunday, August 16. Thank you for your generosity.

Merger Listening Sessions

Since the announcement of Archbishop Grob's approval of Fr. P.C.'s request to merge St. Therese and St. Vincent Pallotti Parishes, there have been questions and confusion about what comes next. In response, the Merger Planning Committee is offering several listening sessions to address parishioner questions and to provide clarification. The goal of our initial listening sessions is to help parishioners understand the changes that will occur and the timing of those changes. The dates and times for our first round of listening sessions are:

- Wednesday, August 19 at St. Therese, Miriam's Corner from 10:00am – 11:00am
- Thursday, August 20 at St. Vincent Pallotti - East, Upper Room from 7:00pm – 8:00pm
- Friday, August 21 at St. Vincent Pallotti - West, Parish Center from Noon – 1:00pm

We are limiting the number of attendees at each session to provide ample time and space, as well as a more intimate atmosphere, in hopes of encouraging constructive conversation and confidence in those seeking clarification. Please use the QR code or the link on either parish website to register to attend a listening session. If the session that best suits your schedule is full, please email Heather Goeden at heather@sttheresemke.org to be placed on a waitlist.

As we move through the process of erecting the new parish, we will schedule additional listening sessions.

Sincerely,

The Merger Planning Committee

Feast of St. Therese Planning

Planning for the Feast of St. Therese is in full swing and we are busy contacting local sports teams, organizations, restaurants, and businesses; asking them for donations. But you might have a great idea that we haven't considered!

Perhaps you work for or own a business that likes to support local schools. Or maybe your family, a relative, a friend, or neighbor is looking for a way to give back to the community.

We are hoping to collect gift cards, sports memorabilia, tickets to sporting events or concerts, attraction tickets, and more for our raffle. If you have a contact we should reach out to, please let the planning committee know. The deadline to have donations in hand is September 28.

Consider purchasing gift cards to donate through the SCRIP program at either Parish. You can drop purchased cards off at the Parish Office or put them in the collection basket at any location in an envelope clearly marked "Donation for St. Therese Feast Day."

St. Therese Parish is a 501 (c) 3 exempt organization. If you have any questions, please contact Art Nennig at mnennig1@wi.rr.com

Thank you for supporting St. Therese!

**God's
Work**

**Our
Hands**

*"Rich in all things, generous on all occasions"
2 Corinthians 9:11*

God's Work is giving life to you and our world.

With our Faith and God given talents, we try to provide the necessities for ourselves and family now and in the future. Our Parish exists so that God's Family, our parish, can rely on the necessities that support our faith. The financial necessities include: church buildings and their utilities, liturgies, the priest providing sacraments that enhance our faith, faith formation, and support staff that listen and share all that our parishes have to offer. Your faith, as generosity, provides for your spiritual needs.

Trust that His work around and in us opens our hands to others. We engage by means of our Time in prayer, our Talent in volunteering, and Treasure in increasing the Church, its people, now and in the future.

"Truly the light is sweet, and a pleasant thing it is for the eyes to behold the sun!" - Ecclesiastes 11:7

From the Earth Ministry:

Residential solar is a financially sound long-term investment for many homeowners. Electricity rates continue to climb and installing home solar panels locks in your energy cost. The savings from reduced electricity bills over 25-30 years provides a strong return on investment. There are still smaller rebates available for residential solar, though the tax incentives of recent years have ended.

Fossil fuels damage the earth when extracted, cannot be easily replaced and leave waste products that damage the earth's atmosphere. Solar power provides energy from a renewable source and with a far smaller negative ecologic footprint.

A home solar installation includes solar panels, inverter(s), mounting equipment, monitoring equipment, and an optional solar battery to store excess electricity for your use later. This rises in importance if there are frequent disruptions in local electrical service.

Some local municipalities have sustainability departments and arrange solar buying groups for their residents. The volume of the group buy decreases the individual purchase cost for a new system. Wauwatosa and Milwaukee currently have a group buy underway that ends in September 2026. For more information try this website.

August is National Make-A-Will Month

Take time this month to create or update your will. Despite the widespread recognition of its importance, many people delay estate planning. Make-A-Will Month aims to simplify the process and highlight the benefits of having a will, such as ensuring your wishes are followed regarding your assets and loved ones.

Estate planning is the way to continue your life's work. It is vital that you invest some time to insure that your life's efforts will continue the causes and people who will most treasure your gifts. Your attorney in conjunction with your accountant can prepare a proper will and make other arrangements for the easy, inexpensive transfer of your estate. Please remember St. Vincent Pallotti and St. Therese Parish in your will.
