COME TO THE FEAST.

— MATTHEW 22:4 —

TWENTY-EIGHTH SUNDAY IN ORDINARY TIME

©LPi

28th Sunday in Ordinary Time

Matthew 22:1-14

Some friends invited me to one of the most famous and expensive restaurants in the country. I was grateful and eager to go. One invited friend even flew from another state for the experience. Every bite and sip was truly memorable and delicious. But my friends' teenage children spent much of the time on their phones, complained about the food, and generally ignored the once-in-a-lifetime experience. I wanted to yell, "C'mon, you guys! Look what you're missing!"

In today's parable, Jesus describes people invited to an amazing wedding feast who respond with inexplicable indifference. He says, "Some ignored the invitation and went away, one to his farm, another to his business" (Matthew 22:5). The problem is not that they choose evil but that they allow other desires to distract them from an amazing opportunity. The feast is prepared, but their hearts are elsewhere. In Christ Jesus, God offers each of us a wildly extravagant offer: a place at the wedding banquet between heaven and earth.

What are your current excuses for the delay in engaging with Jesus? How are you postponing a deepening of your relationship with Him under the guise of responsibility? The good news is that the feast is ready. His invitation remains. Hear the Lord say to us, "C'mon, guys! Look what you're missing!" Then respond with concrete action. — *Father John Muir* ©LPi

Dear St Therese and St Vincent Pallotti Parishioners,

This past weekend we had a beautiful celebration for the Feast of St Therese. The liturgy was wonderful, and Sr. Deanna Therese's explanation of the importance of The Little Flower's life was inspirational and provides all of us with a way to lead our lives in our search for Eternal Salvation. We would also like to thank Father Varkey and Father Leon for con-celebrating.

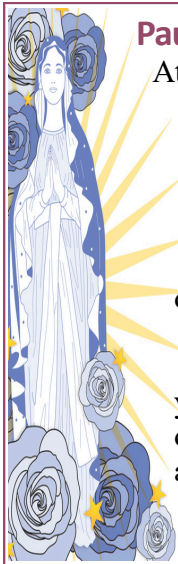

We wish to thank all of you that helped make this a wonderful celebration in many different ways. The Feast Day Celebration Committee, the Prayer and Worship Committee, the Art and Environment Committee, the Choir and musicians, and all that volunteered did a great job. The church and liturgy were beautiful.

The Parish Standing Committees, Finance Councils, the Parish Pastoral Council and all parishioners that contributed items for the raffles and silent auction are to be commended as we had a wonderful array of items.

Finally, thank you to the kitchen staff, everyone that contributed food, and the Heck Hall set up and clean up people for making this a warm and inviting event.

Sincerely,

Fr. Tom PC and The Feast Day Celebration Committee

Pause and Pray This October

At St. Therese there will be a prayer area set up in the back of the church with different representations of Mary. Please use this area before or after Mass to pause and pray.

Make arrangements with Heather to drop off your labeled small statues/figurines, drawings/paintings, etc. at St. Therese and we will add them to the display. If you have any questions, please contact Heather in the Parish Office.

October Focus: Love

This month, we continue to learn from the life and teachings of St. Therese, the Little Flower, as our focus turns to the fruit of the Spirit of **love**.

Be Part of Life at Pallotti

Parishioners, we invite you to take part in the life of our school! We are always looking for volunteers to read to or tutor our students, as well as helpers who can lend a hand around the building in a variety of ways. Whatever your time or talents, there is a place for you. To learn more, please contact Tracy Irwin in the school office at 414-258-4165, ext. 114.

God's Work

STEWARDSHIP

TIME, TALENT AND TREASURE

Our Hands

Next week, parishioners will receive a letter from Father Tom. With the letter, there will be a booklet summarizing all of the volunteer activities in our parishes as well as a time, talent and treasure form, which should be returned to the parish.

As you reflect on the example of our patrons, St. Vincent Pallotti and St. Therese, we are asking that you remain involved in committees and ministries you are already active in. In addition, please consider becoming more involved by trying something new. In particular, we continue to have a shortage of Liturgical Ministers and of individuals willing to participate on our various parish committees and subcommittees. Some examples are Stewardship, Prayer and Worship, Human Concerns, Hospitality Ministry, Church Cleaning and Buildings and Grounds. If you would like more information on the work that these committees do, feel free to ask questions of Father Tom, members of the Pastoral Council or any Stewardship Committee member. Please give careful consideration to how you can give back to God by serving your parish community.

The form will include a "treasure" component. We will be asking every parishioner to provide their best estimate of how much financial support you are able to offer the parish. This should be viewed as simply a goal and not a binding commitment. The information will help the Finance Council to develop a more accurate budget as they guide the parishes through these challenging times. Any financial information will be held in the strictest confidence. Thank you in advance for giving this form your thoughtful and prayerful attention.

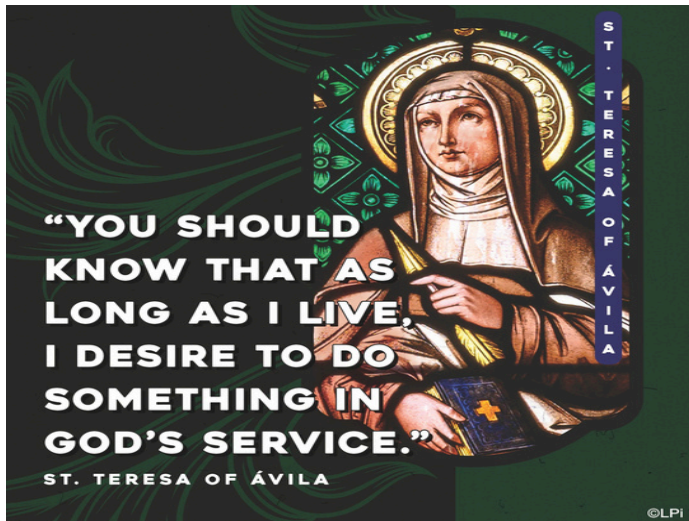

ADULT FORMATION *Opportunities*

Fourth Sunday Formation

Our next Fourth Sunday Formation sessions will take place on October 24/25 after all Masses at both parishes. The topic will be about purgatory.

Indigenous Peoples' Day is celebrated on the second Monday of October to honor the cultures and histories of the Native American people. The first seed of Indigenous Peoples' Day was planted at a U.N. international conference on discrimination in 1977. Indigenous Peoples' Day celebrates, recognizes, and honors the beautiful traditions and cultures of the Indigenous People, not just in America, but around the world. Their way of life and culture carries wisdom and valuable insights into how we can live life more sustainably.

"And I brought you into a plentiful land to enjoy its fruits and its good things. But when you came in, you defiled my land and made my heritage an abomination." - Jeremiah 2:7

From the Earth Ministry:

In several prior articles we cited the enormous environmental harm posed by plastic. We mentioned that only 5% of the plastic placed in recycle containers ends up being reused. Hence the accumulation of waste plastic in our world continues unabated. In fact, it is estimated that at current rates, by the year 2050, the weight of discarded plastic in the World's oceans will exceed the weight of all the fish.

We also mentioned that tiny fragments of plastics, called "microplastics" are found in water bottles, food packaging and synthetic fabrics. Microplastics and their much smaller counterpart, "nanoplastics" accumulate when ingested by animals and humans. Autopsies of human brains conducted in 2024 found a 50% increase in the amount of brain-resident plastic compared to autopsies from 2016. Scientists say that today's human brain consists of 99.5% brain matter and .5% plastic. The harmful effects of this are presently unknown, but the growing accumulation can't be good.

So here are a few things you can do to 1) keep your brain comprised as God intended, and 2) keep waste plastic from smothering our planet:

- Purchase beverages in recyclable aluminum cans, bottles or cartons, as per a recent bulletin article
- Avoid heating or microwaving food in plastic or styrofoam containers -- heat speeds the release of plastic particles into food.
- Choose glass, metal or ceramic storage containers instead of plastic for pantry stock and leftovers.
- Drink tap water by the glass or from reusable bottles: A 2024 study found that a single liter of bottled water can contain more than 240,000 plastic particles.
- Use cloth or paper shopping bags instead of plastic ones.
- Avoid fruits and vegetables prepackaged in plastic.
