33rd Sunday in Ordinary Time

Matthew 25:14-30

A friend once took his young adult son to the casino for his birthday. He handed him $100 and said, "Let's have a great time." The son, a graduate student with limited money, quietly pocketed the money and refused to play. "I don't want to lose it," he said. But he missed the point: the money was not really his to pocket; it was his father's invitation to share an experience together.

God sees our gifts a bit like this. In Jesus' parable, a servant buries his master's talent and explains: **"Master, I knew you were a demanding person...so out of fear I went off and buried your talent in the ground" (Matthew 25:24-25)**. The master condemns him not for failure but for refusing to risk. The servant's fear distorts his image of the master and leads to a small, loveless response. No love, no risk. No risk, no relationship.

How easily we fall into this trap! We treat God's gifts as fragile possessions rather than invitations. We play it safe, avoid risk, and tell ourselves we are wise and God is cruel. But Jesus praises those who trust the Master's goodness enough to act boldly. They are not reckless but confident enough in their Master to risk their gifts for Him.

So, what is my interior story about God right now? Is it marked by generosity, adventure, and trust? Or by fear, caution, and suspicion? That hidden narrative shapes everything. Because love, by its nature, always takes risks with, and for, the beloved. — *Father John Muir* ©LPi

Prayer and Worship Update

At our meeting the Prayer and Worship Committee reviewed plans for holiday worship and finalized plans for Mass on the Wednesday evening before Thanksgiving at St. Vincent Pallotti West. And although we are not formally participating, there will be a Thanksgiving service at Martin Luther Church, also on Wednesday evening.

Other discussions included what should be done with the prayer intentions placed in the boxes. Many ideas were explored, but it was suggested this be addressed after the merger is complete. For now, these intentions will be given to Fr. P.C. to be remembered during prayer in his community.

As the merger progresses, the Archdiocese sent a guideline for a Prayer Warrior program. This is a series of daily prayers for a successful merger. Once the exact date is determined, our committee will come up with a plan for this type of daily prayer.

Also, the Christian Formation Committee suggested a Holy Hour for Families. The Prayer and Worship Committee felt that this could be included in the 2027-28 Annual Plan. To be most effective, younger parishioners and Fr. P.C. must take an active part in its planning, with Prayer and Worship being a resource.

The Earth Ministry would like to work on a special Earth Day celebration. The Prayer and Worship Committee will coordinate with Jim Jenson to see how this can be done most effectively.

As we thank God for all the many blessings in our lives, the Prayer and Worship Committee would like to wish all a very Happy Thanksgiving.

From the Earth Ministry: Holiday Lights Recycling

"You are the light of the world…let your light shine before others that they may see your good deeds…" (Matthew 5:14–16)

It's that season when decorative lights from last year are unboxed, with some no longer functioning. Or maybe you want to replace old ones with something new for your tree or home decorations.

Please don't toss your broken or unused holiday string lights in the trash, headed to a landfill. LED lights contain mercury, a neurotoxin. Incandescent lights contain valuable copper that is better re-used than further mined.

Milwaukee County Zoo will take your decorative string lights—working or not— LED or incandescent. Just go to the main Zoo building and let the attendant know you are there to recycle lights. Free parking for 30 minutes.

Dates: Zoo drop offs are accepted from November 20 through December 31

Hours: Monday thru Friday 9:30am –2:30pm
Sat/Sunday 9:30am—4:30pm
During Wild Life events, the Zoo is open until 9:00pm
See milwaukeezoo.org.

Church Drop Off: November 21 through December 29. Before and after every Mass at St. Therese and St. Vincent Pallotti West (Southwest entrance), and SVP East (Bluemound entrance). The Earth Ministry will provide receptacles at each drop off point, and will also transport the recycled lights to the Zoo upon completion of the campaign.

Fruit of the Spirit: Gentleness

This month, our students' Fruit of the Spirit focus is gentleness. Gentleness is the quiet strength of treating others with patience, kindness, and care, in our words and in our actions. Our students are being encouraged to practice it in their classrooms, on the playground, and at home.

Our Featured Saint: St. Kateri Tekakwitha

To help students understand what gentleness looks like, we are learning about St. Kateri Tekakwitha, known as the "Lily of the Mohawks." Born in what is now New York, she was the first Native American to be canonized a saint. St. Kateri is remembered for her deep faith, her humility, and the gentle, patient way she lived, even through great hardship. Her example reminds our students that gentleness is a sign of strength, rooted in faith. St. Kateri Tekakwitha, pray for us!

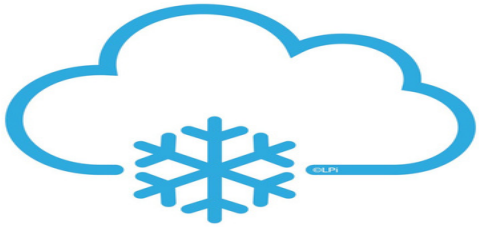

St Therese Reuniting Us As "...One Nation, Under God..."Prayer Service

This is the third weekend of the month and we invite you to join us for our monthly prayer service. The service is about 25 minutes. We pray the rosary and ask Blessed Mary to intervene with the Lord for His help to again unite us as "…One Nation, Under God…" with love and respect for all. We end the service with a short meditation! Please join us!

ADULT FORMATION Opportunities

Fourth Sunday Formation

Our next Fourth Sunday Formation sessions will take place on November 21/22 after all Masses at both parishes. The topic will be about relics in the altar. Please plan to join us and bring a friend!

Snow and Weather Closings

In the event of snow or weather closings for the parish, please check Channel 12 WISN-TV or WISN.com (WISN website) for closures.

St. Vincent Pallotti Library Update

The St. Vincent Pallotti Parish Library racks are now set up at the West Church (SVP-W) and East Church (SVP-E). At SVP-E, the racks are in the West vestibule. At SVP-W there are two racks – one in the South vestibule and one in the larger West vestibule. A table in each of these vestibules has a clear lucite box on it for library slips.

To check out something, just take the slip from the book or item, fill in your name and either a phone number or email address, then put the slip in the clear box labled "Library Slips" on a nearby table. Items are due back in one month.

We will try and keep the racks stocked with something for younger readers, for teens, something seasonal, something current, and something "classic." There are hundreds of additional materials available. Just email **librarian@stvpc.org** and ask. Feel free to email suggestions for future purchases too!

Thanks to all who have contributed books to the library these past couple of years, and to Heather, Chloe, Fran, Therese, and Lenny for their help.

Respect Life – Hospice and Palliative Care

The past two weeks the Human Concerns Committee has included bulletin articles about assisted suicide and euthanasia. Today, we'd like to talk about the alternatives to these: palliative care and hospice care.

Palliative care is specialized medical support for people with serious illnesses at any stage. Hospice care is a *type* of palliative care specifically for those expected to live about six months or less and who choose comfort-focused care over curative treatment.

This week the article focuses on hospice care. Hospice care can take place in a hospital, nursing home, facility especially for hospice patients or at home. Wherever you or your family decides, it is the best possible place to spend your final months of life with the greatest possible comfort and the least worry and regret.

Prayer is encouraged including last rites and prayers for the sick so they are in God's graces when the last breath is taken. Visitors have the opportunity to pray with the patient too.

While you are on hospice, **you** don't give up your existing health insurance or Medicare/Medicaid. Those policies will continue to cover certain health services, treatments and medicines that are medically necessary, but are *not related* to your terminal illness.

As a caregiver, I have been with many people during their final hours, most honorably my parents. It is the time to tell each other everything you might not have told them before. My father, who was bedridden and unconscious, pulled me toward him when I said good night and went to kiss him. He said, "I love you very much." He never said another word after that. It was a beautiful moment and I will remember it forever.

There are many facets to hospice care such as advance directives, and getting your affairs in order so your wishes are met at the time of death. The Archdiocese has many resources.

Cathy Healey – Human Concerns Committee

We Need YOUR Help!

Additional liturgical ministers are needed for **ALL** of our weekend Masses. You see the same volunteers every week. They serve loyally and generously; they feel how much it enriches their spiritual lives. However, because we have so few ministers, that puts us in a bind if they go on vacation, visit family or friends at a different parish, or want to attend a different Mass time one weekend.

All of the ministries have asked for more parishioners to become involved. In order to continue creating a welcoming atmosphere and keep the rituals of the Mass at the forefront of our worship, we need you to take on a role in one of the liturgical ministries; even one Mass per month will help!

Greet fellow parishioners and visitors as they arrive for Mass, pass the collection basket during the offertory, distribute the Eucharist, serve on the altar. All of these ministries help make the Mass beautiful. Reach out to Heather in the Parish Office. She will put you in touch with a ministry coordinator so you can be trained.
